

# Herbert's Garden

**Create your very own garden for Herbert and his friends to play in!**

**You will need:** Safety scissors, Glue or tape, a separate piece of paper and colouring-in materials.

1. Colour in all of the animals and plants on pages 1 and 2.
2. Cut them out (get an adult to help you) and then get a new blank piece of paper.
3. This blank piece of paper will be your garden background! You can colour this in if you like.
4. Arrange and stick all the cut out pieces to make a garden for Herbert and friends!
